(5)

Read the passage carefully and answer the questions.

Usually, the doll looks like a dancer in colourful clothes. The hands of the doll are spread out one pointing up, the other down. When you push the doll lightly, its body moves from side to side and its head moves up and down. This doll is made in a special way. The lower part of the body is usually larger than the head so that it can move without falling down.

Answer the following question.

1. How does the doll look like ?

Ans. _____

2. How are the hands of the doll ?

Ans. _____

3. Where are the hands pointing ?

Ans. _____

4. Which part of the body is usually larger than the head ?

Ans. _____
