- Work on Laboratory information management system (**LIMS**) software.
- **UV-Visible spectrophotometers**
Shimadzu UV160A, Shimadzu UV1800 with UV Probe software.
- **Dissolution testers**
Electro lab TDT08L, Labindia Disso 2000.
- **Osmometer:** Model 3250 Osmometer

Academics:

Degree	University/Board	Month & Year of Passing	Percentage
M.SC. Biotechnology	K.S.V. University, Gandhinagar	June- 2011	64.80%
B.SC. Biotechnology	H.N.G.U., Patan	March- 2009	57.74%
H.S.C.	G.S.H.S.E.B	March- 2006	51.00%
S.S.C.	G.S.E.B	March- 2004	69.71%

Work Experience: 8 year

1) Present Experience.

Duration : **Feb** 2015 – Till the date
Organization : Dorizoe lifesciences (Division of Altheon Enterprises Ltd.) Ahmadabad.
Designation : Research Scientist in Analytical Development Department
Supporting to Formulation & Development

2) Previous Experience.

Duration : Apr 2013 – Jan 2015
Organization : Zydus cadila (PTC). Ahmadabad, Gujarat.
Designation : Sr. Research Scientist in Analytical Development Department
supporting to Formulation & Development

3) Previous Experience.

Duration : Aug 2011– Jan 2013.
Organization : West-Coast Pharmaceuticals Ltd, Ahmdabad, Gujarat.
Designation : QC chemist in QC Department

Dosage forms handled:

Solids: Tablets, Capsules
Liquids: Injectable, Oral liquids etc.

Role and Responsibilities:

- Development of HPLC methods for Assay & Related Substances of new drug formulations.
- Method validation & method verification for regulated products as per ICH Q2 (R1) guidelines. (Related substances, Assay)
- Method validation and method transfer protocol, report checking. Submission of validation documents in support to plant from R&D.
- Analysis of initial and stability batches of finished products as per ICH Q1 guidelines.
- Collection and maintenance of daily analysis data (Raw Data) and stability evaluation data.
- Preparation of method development protocol and STP.
- Calibration, maintenance, and troubleshooting of various analytical instruments such as HPLC, dissolution tester, analytical balance etc.
- Training of freshly appointed personnel in analytical development department (Trainees).
- Well versed with Caliber LIMS, server based HPLC system connected to Chromeleon & LC-solution.
- Ensuring the precautionary and safe working in the laboratory in accordance of different regulator bodies aspects.

Areas of Interest:

- Analytical Method development
- Analytical Method validation
- Development Quality assurance

Industrial Training & Project:

- I have completed four months of dissertation project on WATER SYSTEM VALIDATION in Lincoln Pharmaceutical Limited, Khatraj, Kalol.

Computer Proficiency:

- LIMS
- M.S. Office
- Internet Based Application

Personal Information:

Permanent address	➤ Rakesh Prajapati S/o Maneklal Prajapati At&Po.- Sangapur, Nava Prajapativas, Ta.&Di.- Mehsana-382710
Date of Birth	➤ 29 th Jan 1989
Nationality	➤ Indian
Gendar	➤ Male
Marital Status	➤ Married
Language Known	➤ English, Hindi & Gujarati.
